One time I met a lovely lady at a business function. I introduced her to my husband and he decided he would like to fuck her. I have an open relationship with my husband. I invited her over and she agreed. I sat on a big overstuffed chair watching them go at it. After they finished, I made us all dinner.

Kandi

The conversation around the dinner table was quite exciting. After dinner, she and I fucked as he watched.

She stayed that night and we had ourselves a threeway. I don't think I've ever seen my husband so into sex, but that's okay. I think he especially liked it when she was blowing him and I had his balls in my mouth. He looked at us the whole time, taking it all in as we were taking all of him in.

How much sexier can
a woman get in her
fifties than Dana? A
blonde with carnal
ambitions. A woman
with an insatiable ap-
petite. How much of
her can one man take.
A woman who chews
up men's libidos and
spits them out,

Dana

ready for the next
one. Watch her
devour Seth's cock in
her mouth and juicy
pussy like the man-
eater that she is.

The best part of the whole scene is that one wants to get the other one off. No selfishness here; just good old-fashioned girl-on-boy sex that all us guys like to experience at least once in our lives. Fortunately you can live it out vicariously through this scene when you download the video. Be sure to have an extra helping of tissue at hand because you're going to need it by the time it's finished. Trust us.

Wife: I love you too. In fact, I love you so much I would fight the whole world for you.

Husband: But you fight with me the most.

Wife: Because you are the whole world to me.

what makes a perfect wife perfect?

THE SECRET TO A HAPPY MARRIAGE IS TO KEEP HIS STOMACH FULL AND HIS BALLS EMPTY

Skye and I have been married for almost twenty years and like any normal couple, we argue, we laugh, we talk, we have fun, we have trust... but apparently not as much as I thought?

Some four months ago, a job opportunity from another company came my way, but it was in another state. After much discussion with Skye I took it. At first it was okay, Skye wasn't working but kept herself busy. I put some long hours in and she was in charge of unpacking the house. After a while this got boring for her and we began arguing. I'd come home tired and she'd spent the day cooped up.

One day, without realizing it, the arguing seemed to stop. However, Skye seemed more than happy to be at home and I even took a mini-vacation just to be home with her and try to rekindle some of the fun we had been missing. But I also noticed there was more than fun that was missing. I had to find out. The laptop computer was missing. Well, not really missing, just not where I normally keep it and many a time it would be warm, or when I went to use it for my work, I would see that the history had been erased completely. I asked Skye if she had been using it, but she said she really didn't know how to use it.

Skye had been befriended by one of the neighbor ladies who asked her to go out with her friends for some drinks. I encouraged her to go and make new friends and so that weekend, she joined the girls for a night out. Our neighbor was recently divorced so I thought it would be good to cheer her up. That Friday night I stayed in watching television and was still awake at midnight when I heard a noise outside the house. I looked out the window and saw a couple women get out of a taxi and went into the neighbor's house; the only one missing was my wife.

The next thing I know is being woken up at 3:00 am by Skye coming through the door. I asked her where she'd been and she said she had just got a taxi back with the girls. I even asked again the next morning and sat in disbelief as she said how all three of them got a taxi back after club hopping. She did not know

I had seen the other ladies exit the cab without her and that they were home at least 3 hours before her. It did not feel very good to catch her in lies like that.

I now noticed Skye had started carrying her cell-phone constantly, never letting it out of her sight and putting it down only when she had to. When she served dinner I'd see she put the phone down

I lifted her skirt slowly to reveal a lacy thong. She knew I liked them but didn't own any. I placed my open palms on her ass and rubbed her backside from top to bottom and then all around.

and I would have a minute alone with it when I knew she wouldn't catch me. Every night I would sneak a peek at her calls and see what kind of messages she was getting. About a week after her night out with the girls, I sneaked a quick look and saw an incoming call from "Vstor." It was disconcerting.

Then, on Wednesday, Skye got a call from her mom saying her sister was in the hospital with a broken leg and was coming home that day. She asked if Skye

with me saying she was at the cashier and that she'd call me back later.

The day she got back she was so loving to me. I had planned to confront her but she couldn't do enough for me – so I let her. I guess the look on my face was enough because she stood up and leaned on the kitchen counter with her ass facing me. I couldn't believe this was happening, but I sure as hell wasn't going to hurt her feelings by not taking the next step. Sometimes a guy just has to suck it up and do the right thing.

I lifted her skirt slowly to reveal a lacy thong. She knew I liked them but didn't own any. I placed my open palms on her ass and rubbed her backside from top to bottom and then all around. I squeezed and even pinched her soft, smooth cheeks. I brought a hand down between her legs and fondled her pussy, feeling the moisture seeping through the thin material. I heard her take in a deep breath and slowly let it out; I think she was enjoying this as much as I was, perhaps even more.

What I really wanted to do was rip her panties off, but instead, I did it slowly. As I pulled, I placed my wet tongue just above the top of her panties, licking and kissing as I pulled them lower and lower. I ran my tongue down to her crack from her spine almost to her tight little hole and I heard her groan. She smelled great too. She had never let me get this close to her ass before. What made her allow this? But not being one to complain, I continued with my exploration in hopes that it could continue even farther.

would come for a while to help with the sister's kids. I said that would be a very nice thing to do as she probably can use the help since she's stuck in a wheelchair or on crutches for the time being. She packed her things and left the next morning. I took her to the airport and we hugged and kissed goodbye. We spoke on the phone a few times over the next couple days just to catch up and find out how her sister was progressing. On my way to work Friday morning I called Skye and she answered but said she was pumping gas so she couldn't talk but would call me back in a while. It was 8:45 am so she couldn't be shopping already, so I phoned her sister's home. Sis answered and said Skye was in the shower so she couldn't talk right now. Immediately, I called Skye again and she was really short

It was time to shed the panties and get a full view of her wonderfully sexy ass. I slid them down to the ground and she stepped out of them. I picked them up and put them to my nose taking in a big whiff. I believe my cock grew another inch! My tongue made its way back to her ass and I licked her all over while playing with her pussy. I pressed a finger inside her moist, heavenly hot flesh while I licked her asshole. The juice was positively running out of her and she was swaying back and forth while moaning a deep growl.

It was time to release my cock; it wasn't fair leaving it all cooped up inside a pants. She must have seen me

*Skye turns in her chair, unzips my pants and pulls out my throbbing cock.
She looks up at me with big doe eyes and opens her mouth wide...*

do this because she let out a loud moan. I buried my tongue into her ass as far as it would go but she was extremely tight. First time I ever wondered if she was an anal virgin. Skye was very tight and refused to relax her muscles. Was my initiative too strong? But she was the one that started all this with her backside. I thought, if a tongue can't get in there, maybe a finger can. I scooped up a large handful of her pussy juice and rubbed it into her asshole, figuring that the more lube the better. I started rubbing my finger around her hole slowly, pressing more and more while playing with her pussy and clit. She was groaning louder and louder and her legs were beginning to shake. I think she was very close to a climax so I kept going.

Little by little, my finger slipped inside her and she was shaking more and more. First one knuckle and when I went to the second knuckle I heard a small scream. This was getting intense and I started stroking my cock. Now was the time! I buried the whole finger into her ass and she went off like fireworks.

She put her arm across her mouth to stifle the scream and her whole body shook and went rigid. Juice just poured out of her pussy down her legs and onto the kitchen floor. This had to be one of the most intense orgasms I have ever seen Skye have!

I slowly pulled my finger out of her and she seemed to relax a little as her climax subsided. Her legs folded

under her so I grabbed her by the waist and sat her down on a chair as she collapsed onto my lap. I pulled her dress back up and gently rubbed my hand all over her ass and pussy, enjoying the moment and the feel of her. Slowly she began to stir. She looked up at me with a contented smile.

"I have never experienced and orgasm like that in my life, babe. I know I've been a little stand-offish lately, so I wanted to do something special for you – and it turned out good for me, too. I never thought I was going to do it, but I had been practicing with small dildos and anal probes to get used to it, so I can do it with you." she said.

"Well, it was just as enjoyable for me as it was for you. I was thinking all sorts of bad things, but now that you told me, I can go on thinking all sorts of other bad things. You won't mind, will you?" I said back to her.

She sat up and gave me a big hug and a wet, open-mouthed kiss that made me hard again. She must have felt me pressing against her because she said, "No I won't mind, but now it's your turn to get off?"

Skye turns in her chair, unzips my pants and pulls out my throbbing cock. She looks up at me with big doe eyes and opens her mouth wide, flashing perfect teeth, and she pulls me into the big, wide beautiful hole! I put my hand behind her head and help her with the rhythm of her blow job. She puts her hands behind me on my butt cheeks and pulls me deeper into her mouth.

Then she pushes my cock up against my belly and starts licking and sucking on my balls. Skye knew how much I liked that and did it for several minutes. I undid my shirt and instantly her hands flew up and she started tweaking my nipples, another turn on for me. She pinched and squeezed them as she sucked my rigid cock.

Then after another pinch and squeeze of my nipples, I exploded in her mouth and she took it all in. She sucked every drop from me and swallowed it all. Holding my cock in her mouth, I felt her tongue circling the head, teasing me even more. Finally, she released my cock and I pulled her up to her feet, picked her up and carried her into the bedroom. The vibes had been all laid out!

There are just some days when you want to be alone. To be quietly able to do the things that you want to do with interruption or judgement. That's me today. I want a little privacy because I'm pretty horny right now and I have this large dark emerald dildo looking back at me and

I'll try my best. I
tried to get that
thing in my mouth
but it I have a
feeling that it's
just not going to
fit. I've had many
a fine cock, many
over eight full
inches, but here I
may have to ad-
mit defeat. It may
be way too thick
for my mouth.

Sexy Vanessa

So what am I to
do with it now
that's its here in
front of me? Why
shove it in my
pussy, of course!

I was asked to do this shoot a month ago and it was so much fun. All you see are pictures of a woman shoving a dildo between her boobs or in her pussy. It's more than that. More than the video you can watch for free. It's about the people that were involved with the shoot, many of which are now friends!

OVER 18 ONLY

Men say the first thing they notice about a woman is their eyes, and women say the first thing they notice about men is that they're a bunch of liars.

sometimes the longest trip is into the garage

SEEMS LIKE WHEN YOU JUST WANT TO GET HOME, IT TAKES FOREVER, BUT IT'S WORTH IT.

It was late afternoon, Saturday, as Stan pulled into his garage, he was hoping for a quiet night with his girlfriend and maybe getting a quick handjob in bed as they watched late night TV before falling asleep.

Sandra was sitting in the living room with the next door neighbor doing that girlie gossip thing. She barely looked up at him but did acknowledge his basketball with a small sneer. Turning back to the neighbor, Stan just heard white noise coming out of their mouths. He decided he needed a drink and went to pour himself a cold beer.

He poked his head back to the living room and told the ladies he was going to go shower after the ball game. Going up the stairs, Stan decided to treat himself to a long, hot shower. After almost an hour, he gets out and noticed how pruned his skin was and thought, that in another twenty years he may be looking like this even without a shower. He reaches for the towel and realizes it is not there. He'll have to walk across the room to get one and as he opens the door, there is Sandra with a towel wrapped around herself. She asks him if he is looking for this, and takes it off and hands it to him.

Naked underneath, he

sees the hot beautiful woman he's been dating for almost a year. "Happy Birthday, baby," she croons as she walks over to him and begins to dry him off. She has that tight body he used to ravish every day a few months ago. Now, he sees it sheathed in a combination of sweats or pant suits. She begins by drying off his shoulders, chest and belly. Reaching his groin, she passes by his privates and dries off his legs. Turning the towel to a dry area, she goes back to his crotch and rubs the towel into his pubic hair and down under his cock to dry off his balls.

"Turn around," she says, and Stan obliges putting his hands on the wall like a cop was about to frisk him. Starting at the top, she dries off his shoulders and back and softly pushes the towel between his cheeks to be sure he is good and dry back there, too. Stan is enjoying every minute of this, being relaxed from the shower and now a vertical towel massage.

Throwing the towel on the floor, Sandra pulls Stan towards the bed. Now he takes over, laying Sandra on it and begins kissing her neck, gently nipping and running his tongue all over her soft flesh. Gradually he moves down her body running his tongue around her naked breasts and bare belly cupping her firm breasts as he goes

Her hands move down past his cock and she begins to squeeze his balls while kissing and biting his nipples. Slowly she moves her head down his body and begins to lick the head of his cock...

lower and lower on her. He then retraces his slippery path back up her body reaching and sucking her erect nipples. When he begins with gentle bites, she moans softly and her breathing became quick and sharp.

Stan reaches between Sandra's warm and moist legs to gently caress her clit. Again he slides down her body kissing it all the way and reaching her soft delta, begins to slurp up the juices that began to flow. Stan places his fingers on her pussy to gently spread her pussy lips apart. He then gently presses his fingers into her mound and just as he's about to insert one, she turns away and rolls on top of him.

Reaching across his chest and into the drawer on the night stand, she grabs a blindfold and places it over his eyes, tying it behind his head. She then grabs some scarves and ties him to the bed so that his arms and legs are spread apart.

She then begins to kiss him and moves to his ear, nibbling on his earlobe and whispering "Happy Birthday," again and telling him to relax and enjoy. Her hands move down past his cock and she begins to squeeze his balls while kissing and biting his nipples. Slowly she moves her head down his body and begins to lick the head of his cock, licking the entire length of his shaft and then plunging his cock deep into her mouth. She sucks harder and harder, taking time to lick it and nibble at its head causing him pleasure and a tiny bit of pain.

Replacing her mouth with her hands, she starts stroking his cock until she feels him about to come. "Not yet," she whispers and he feels her get off him and off the bed. Moments later he hears her return climbing on top of him and guiding his rock hard cock into her pussy. She pumps up and down using her knees and thighs in a steady pace for a few minutes. She then bends down on top of him and he hears a whisper in his ear, "Happy Birthday, Stan," but the voice was not Sandra's. Before he realizes what was happening, a moist fleshy body landed on his face and pushes onto his mouth. It couldn't be Sandra, he thought, she's riding on my face. The taste of pussy fills him, but it was a new one. One he did not recognize, but

at a time like this it did not seem to matter. It tasted so good that he begins to lick it with gusto. As he was doing this, the pussy got wetter and wetter and he had to taste more so he forces his tongue inside.

Down below, Sandra had quickened her pace and was moaning loudly. The girl sitting on his face begins to moan softly and her juices begin to ooze out from between her legs covering his face in a warm sticky substance. She rocks backwards and forwards forcing his

tongue further inside her and Stan could hear both girls moaning loudly.

Stan felt himself building up to orgasm and within a few minutes he exploded just as Sandra got off him. She helped finish his climax with her hand as he felt his splooge warm and wet on his belly. Sandra gave a couple little squeals of pleasure at a job well done as the girl on his face felt his climax and joined him with one of her own, flowing her cum-juice all over his lips and chin.

Stan could feel the women trade places as the new girl grabbed his cock and immediately brought it back to attention with her lips and mouth. Sandra moved to the top and careful placed one of her nipples into

Looking further down her body, he could see that her pussy was cleanly shaven and he could just see the beginning of her slit between her legs.

Stan's mouth and he began sucking like he wanted to get out every last drop of nipple juice.

He felt his cock penetrate new territory. Much firmer than Sandra's. He could hear the girl gasp as his cock was slowly swallowed up. Stan began to pump his hips and his cock began to slide more freely inside. She responded with gyrating hips and perfectly timed bounces to keep him hard and deep.

All of a sudden everything came to a stop as Sandra removed his blindfold. Slowly adjusting to the light, his eyes looked up at four breasts and two faces kissing in the half light. The kisses stopped and they both looked down at him. It was Gabbie naked and bouncing up and down on his cock. She was the neighbor Sandra was talking to as he came home. She was always a little snooty he thought after living next door for all these years. But he was wrong and now her dark brown hair was draped all over her face and she looked as though she was enjoying every minute. He could see her tits which were about the same size as Sandra's bouncing as she moved up and down.

Looking further down her body, he could see that her pussy was cleanly shaven and he could just see the beginning of her slit between her legs. Sandra and Gabbie looked at each other and began to passionately kiss again. Then the two untie Stan from the bed and as he stands up to stretch, Gabbie falls on top of Sandra and she begins to move slowly down her body until she reached her pussy. She sticks out her tongue and begins to lick Sandra's crotch.

Seeing Gabbie bent over with her butt in the air, Stan could see her soaked pussy clearly. He places his fingers deep inside her and proceeds to finger fuck her as fast as he can. Gabbie's breathing quickens and her body begins to squirm. He pulls his fingers out just as her cum squirts out of her pussy. He then rams his cock into her and begins to thrust. He licks his fingers clean of Gabbie's pussy juice and fucks her as hard and as fast as he can. Gabbie begins to scream loudly and has a powerful orgasm. Her body shakes and she slams her body against Stan's as hard as she can so that he is very deep inside her. Stan fills her tight pussy with his cum until it begins to pour out of her. Both ladies start to moan as Gabbie orgasms first and Sandra is not far behind.

The girls switch positions and Sandra begins to suck Gabbie's pussy of all the cum that she produced from the orgasm she just had. Stan now sees that Sandra has her ass in the air and slams his cock into her. Sandra gasps as Stan leans forward and inserts the length of his cock into her.

All three of them are now moaning and just as Stan's about to cum he pulls out of Sandra and shoves his cock in Gabbie's mouth. She took all of his cum and swallows. Stan and Gabbie began to kiss and Stan could taste a mixture of his, Sandra's and Gabbie's cum.

Stan felt his cock stiffen and rolls onto his back. Both ladies begin to suck and lick his cock at the same time. He was ready to cum again and shot his load all over both of their faces. They both look at each other and begin to lick the cum from each other. Once they were both clean, all three lay on the bed next to each other on the bed. After a few minutes, Sandra got up and left the bedroom only to return a few minutes later with a small cake with three candles on it. She gives one to Stan and one to Gabbie, keeping the third for herself. She says on three, they are each to blow theirs out, and as if on cue, the two ladies laugh and smash the cake into Stan's face with sing-song voices saying – "Happy Birthday!"

I'm from Europe, but I've been in the states for several years now, and I love it, almost as much as I like American men. There are some things, however from Europe that I don't see that much over here. Like topless beaches. They're just breasts, guys, everyone has two of them.

Winnie

And anal sex.
It seems so taboo here but I like it.
Don't you?

American men are amazed that I give up my ass so willingly. For me, it's just a normal part of love-making, like going to a European beach. But for them, it's like a hidden, forbidden jewel, like going to an American beach. I can only say – loosen up guys, it's only a butt. Everyone has one.

Sandy sometimes refers to herself as a "professional cocksucker."

Not because she gets rewarded for it, but because she is so good at it. When asked how many she has sucked, she hesitates for a moment and asks, "how many grains of sand at the beach."

Sandy

We have never counted, but we think it's a few more more than one hundred.

Sandy says she started counting some twenty years ago, but couldn't remember her first ten plus years of having sex. So guesstimating at one cock a week for – say, conservatively, thirty years – is, one thousand, carry the one, bring down the five, oh well, it's a lot of hard cock in her mouth. Check out Sandy's technique and cocksucking skills in her online video. Take it from us, she's good.
